Dear Friend,

Over the last week or so, we have had customers call and ask us to deliver a meal to local hospital workers. Last week we had a client provide the money to cover a meal for 50 workers at Kaiser in Roseville. This got us thinking. What if there is a way we could partner with our friends and offer “group” meals that we could deliver to First Responders and Front-Line Workers?

We would like to partner with YOU and start a First Responder / Front-Line Worker Meal Program. We have the kitchen, food, and staff to handle preparing meals for 50 guests multiple times a day/week. However, like most small businesses right now, we are lacking the funds to handle such a task. This is where YOU come in. We would like to see if any of our current clients would like to offer funds towards this project. We are asking for a payment of a minimum of \$50.00 with no maximum. Once we get to a total of \$450.00, we will send a group meal to First Responders or Front-Line Workers. We will follow up and let you know when and where it was delivered.

To participate in this program, all you have to do is text [916.600.1952](tel:916.600.1952) and say: “[I want to help](#)”. We will call you back promptly and get your information. You can also VENMO to [@Crisp-Catering](#) and tell us you want to help.

We hope this program will help provide some HEARTFELT THANKS to the workers that are helping us all get through this.

Please reach out if you have any questions!

Thank you for your continued support of our small family business,

The Thompson Family
Joe, Alison, Joey and Autumn
